Free Youth Bike Race

Thursday's July 23rd, 30th, & Aug 6th

6:20 pm registration opens, 7:00 pm race starts!

Race "Track" style races on our .5 mile road course, races with names like Bunny-Chase, Mad Russian, and Miss-n-out. Expect a longer points race, one Bunny-Chase each night and one "speciality" race as well. The Twilight is ideal for improving your criterium racing skills and sprinting ability. By racing 3 times a night you'll learn more than racing once. Come join us at Haskell Indian Nations University, south campus around Winnemucca Hall on a .5 mile loop.
